Title of Abstract (Times 14 pt bold)

Full Name of Author(s) (Times 14 pt)
The name of corresponding author is underlined

*Affiliation(s) of Author(s) (Times 14 pt Italic)
with full postal address*

This document indicates an abstract format of NSS6.

The abstract should explain the contents of your presentation clearly. All abstracts must be written in English. The body of abstract should be typed in single-space format with 12 pt Times Font. The abstract should be written in one-page of A4 (or US letter size) paper, and 3 cm margin top and bottom, 2.5 cm margin right and left each are required.

Figure

Fig. 1. Figure Caption should be typed with 10 pt Times font. Include an accompanying figure caption.

Any color figures will be printed as black-and-white, and it cannot be guaranteed that halftone (grayscale) images will print as expected. It is recommended that you use figures with high contrast.

Reference citations are shown in the text by a number in brackets [1], and the reference list is typed below the body text in times 10 pt.

How to send the abstract:
Please register before submitting your abstract. A registration number is required for sending your abstract, and the relevant topics to your presentation should be selected from the list of topics in the conference.

By e-mail:
Please send the abstract to the conference secretariat, nss6@spring8.or.jp as an attached PDF file. The registration number must be written in the body of the e-mail.
